### **ZILDJIAN INTRODUCES TOMMY LEE CYMBAL BAG**

*"Artist Collection" Bags Designed With Today's Hottest Drummers*

**Norwell, MA - February 2007** – The Avedis Zildjian Company is proud to announce the latest addition to its line of Artist Collection Cymbal Bags designed with drumming superstar, Tommy Lee. The new Tommy Lee Artist Collection Cymbal Bag not only captures the style and attitude of the drummer for Motley Crue and the hit show "Rock Star Supernova", but is also extremely functional.

Tommy's cymbal bag features a heavy-duty handle as well as backpack straps for easy carrying. A key chain holder sporting a metal beverage bottle opener, as well as "bullet" sleeves round out the details on the backpack straps. Tommy's bag will accommodate cymbals up to 22 inches in diameter and features the Signature Tommy Lee camouflage pattern with his "TL" logo and star treatment.

Additional features include an adjustable shoulder strap and carrying handle, one large Velcro pocket on the outside, one small pocket on the inside and a rubberized skid plate on the bottom of the bag.
