

**Color Guard World Championships
Dayton Convention Center Site Info
22 East Fifth Street
Dayton, OH 45402**

- The facility is situated on one floor.
- Spectators will enter from the north side of the building on Fifth Street. The competing color guards will enter from the south side on a Convention Center private extension of Sixth Street.
- Dressing facilities are limited. Please come in competitive attire.
- The warm-up area is very large and has ample ceiling height. Music will not be allowed in warm-up as it will disturb the other guard in the warm up area and sound travels to the competition floor.
- The mixing board for the sound system and the sound person will be located opposite the color guard entrance to the competition area. The WGI sound person will have control of the sound levels. See contest info packet for sound check times.
- A black drape will adorn the back wall of the hall with black draping completing the framing of the perimeter on both ends.
- The floor surface is concrete covered with a black tarp.
- The competition area is 106' x 72'. Please see the floor plan for more details.
- Height of the facility is more than adequate.
- There are no floor folding facilities available.
- Equipment truck and bus parking is located at the bagged meters on 6th, Stone and Jefferson Streets. Paid spectator parking is located in the Convention Center Parking Garage.
- All equipment must be removed from the building within 30 minutes of completion of performance.
- Please report to Performance Check In no earlier than your listed report time. Performance Check In times are listed in the logistical schedules. Participant wristbands will allow entrance at regular doors.

REMINDER - Your color guard MUST check in at Championship Headquarters in the Boesch Lounge, UD Arena prior to your performance at any venue to pick up all contest material. Those color guards that do not check in at Championship Headquarters may be denied entrance to the facility.

Color Guard World Championships Competition Area Dayton Convention Center, Dayton, OH

All WGI contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and could extend to a maximum of 106' X 78'.

The "competition area" at this event measures 106' X 72'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook
