Proposal #2 – NO MOTION, FAILS

World Championships A Class Structure Limit A Class entries to 120 participants. Preliminary seeding is based on the current model between three (3) sites, 40 units at each site, with a single panel of judges during the day on Thursday. Top 16 units at each site, total of 48 units, advance to Friday morning semifinals, held at a single location (i.e. Nutter Center). Seeding, again, utilizes current model based on preliminary score. Double panel of judges will be used for semi-finals. Top 20 scoring units in semi-finals advance to Friday evening Finals at UD arena. Double panel of judges utilized for finals competition.
