Wright State University's
Ervin J. Nutter Center Site Info
3640 Colonel Glenn Highway
Dayton, OH 45435**

- The arena is situated on two floors:
 - The arena level consists of performance check in, loading/unloading areas, prop storage, equipment warm up and the performance area.
 - The concourse level consists of body warm up and the spectator entrance. All spectator traffic is on the concourse level.
- Parking for color guards and spectators is abundant. There is a \$5 per vehicle parking fee. Each color guard will be allotted 3 parking passes. See maps for details and traffic flow.
- The mixing board for the sound system and the sound person will be located by the front stands. The WGIA sound person will have control of the level of sound. See contest info packet for sound check times.
- Dressing facilities are limited. Please come in competitive attire.
- The floor surface is concrete. A black tarp will cover the entire competition area.
- The competition area is 106' x 72'. Please see the floor plan for more details.
- A black drape will adorn the back wall of the arena, covering entrances and exits.
- There will be electrical power available at the front and back sidelines.
- Height of the facility is more than adequate.
- There are no floor folding facilities available.
- Equipment trucks must be moved within 45 minutes of the conclusion of the color guard's performance.
- There are separate areas for body and equipment. There is no music allowed in either body or equipment as sound travels to the performance floor.
- Please report to performance check in no earlier than your listed report time. Performance check in times are listed in the logistical schedules.

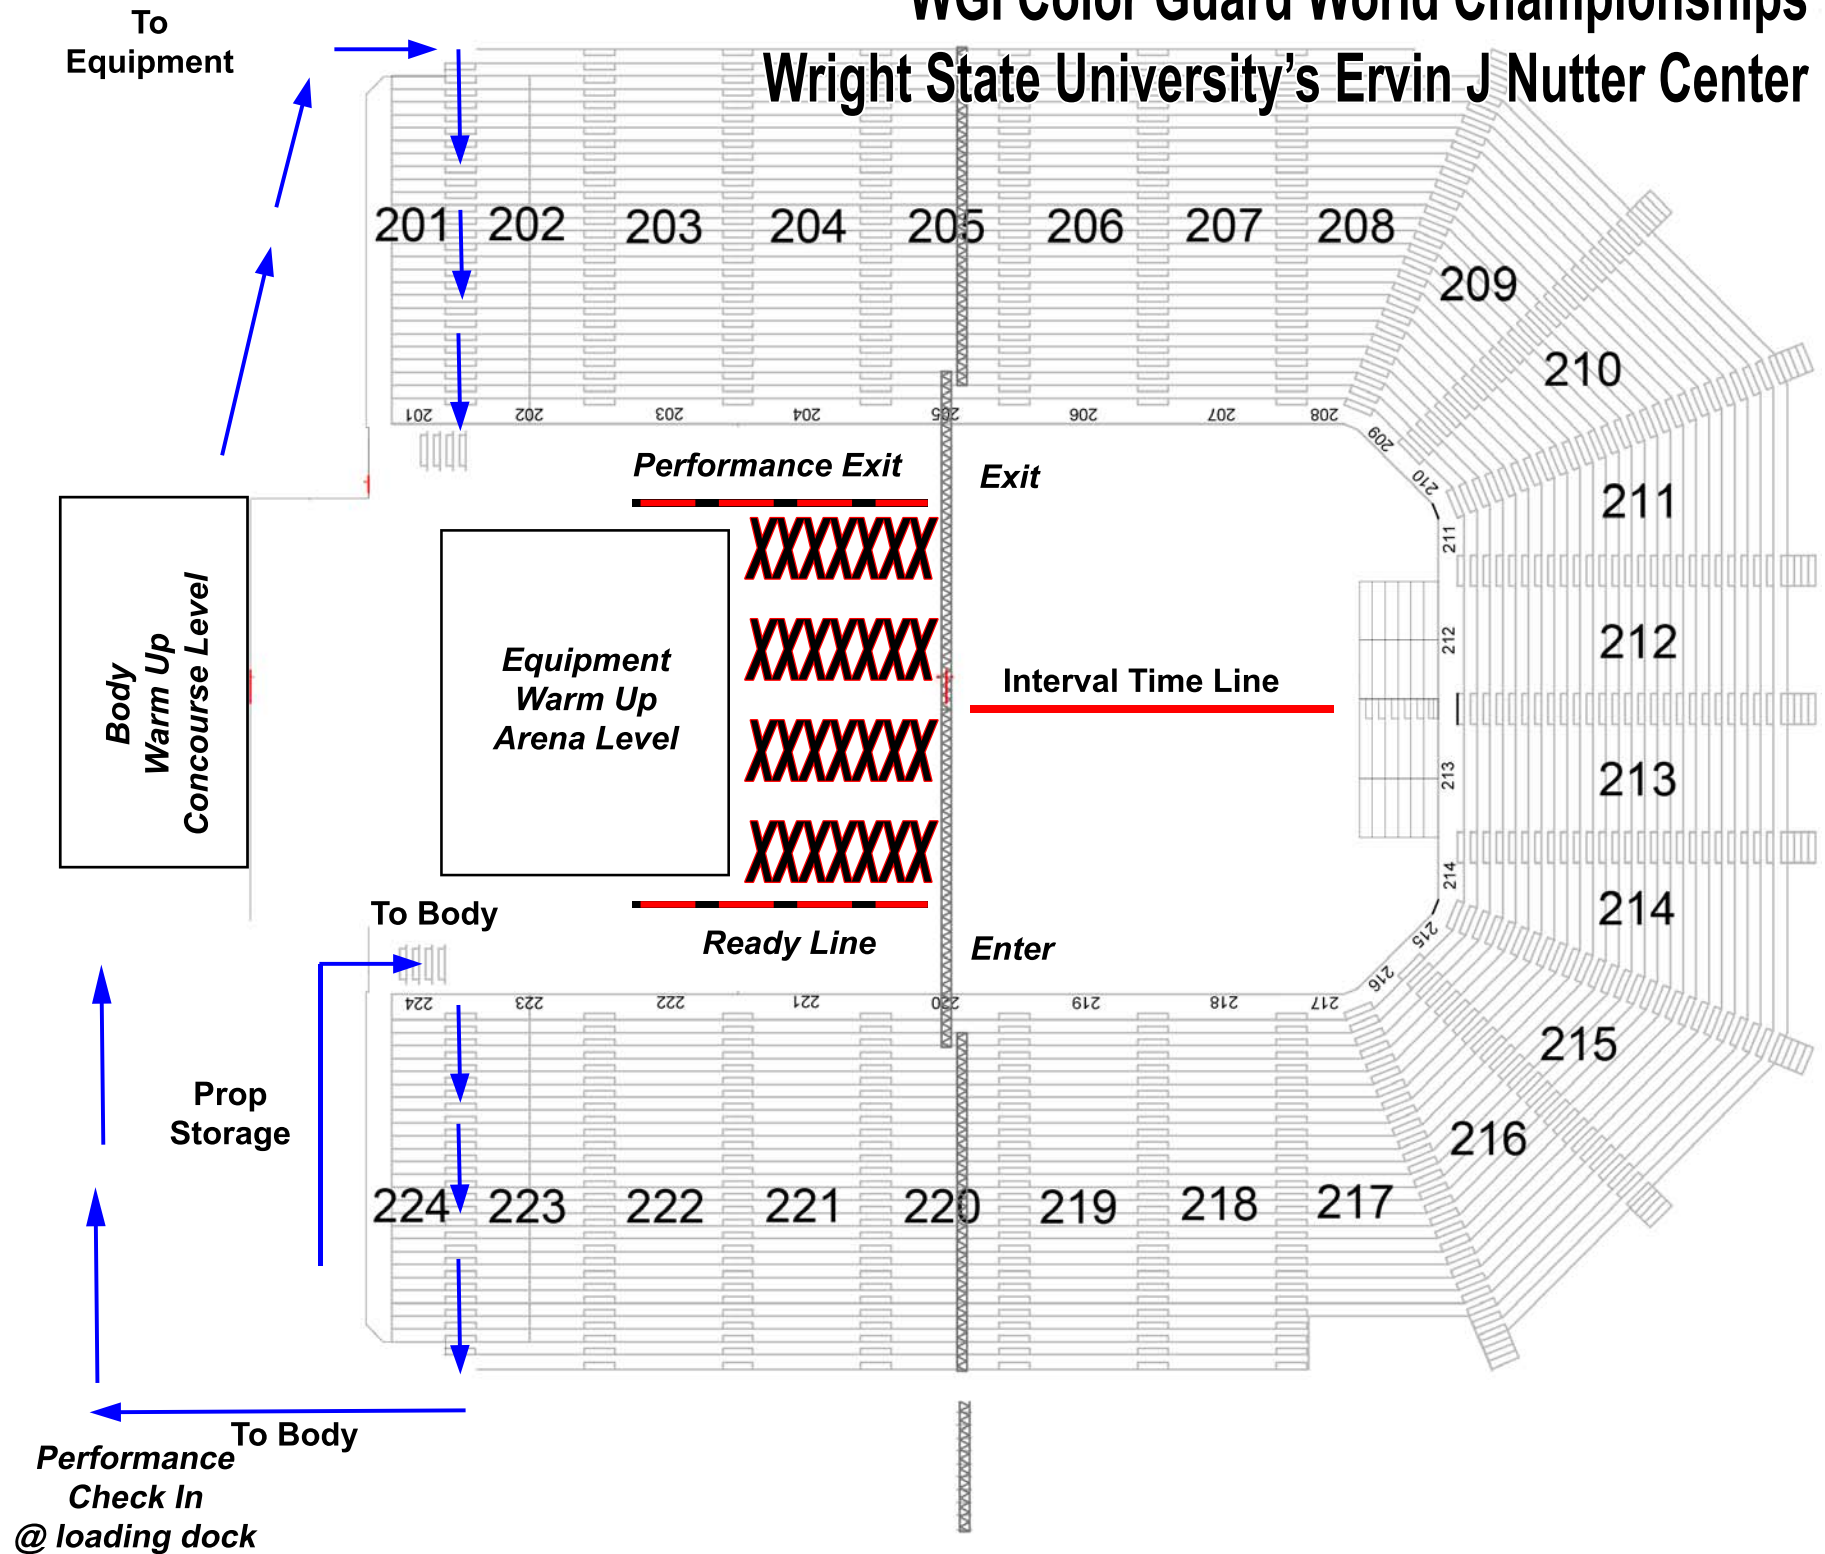

REMINDER - Your color guard MUST check in at Championship Headquarters in the Boesch Lounge at UD Arena prior to your performance at the Nutter Center to pick up all contest material. Those color guards who do not check in at Championship Headquarters may be denied entrance to the facility.

Color Guard World Championships Competition Area Wright State University's Nutter Center, Dayton, OH

All WGI contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and could extend to a maximum of 106' X 78'.

The "competition area" at this event measures 106' X 72'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook.
