

**Percussion World Championships  
Hobart Arena Site Info  
255 Adams St.  
Troy, OH 45373**

- Parking for ensembles and spectators is abundant. See maps for details and traffic flow.
- Dressing facilities are very limited. Please come in competitive attire.
- All warm ups will be conducted in the parking lot of the southwest side of the building. There are two tents in the warm up parking lot that may be utilized as well. Please see logistical schedule for tent times.
- A floor to ceiling black drape will adorn the back wall of the arena, covering entrances and exits.
- Ensembles will push behind the performance area curtain to get to the ready line. This space is 10 ft. wide.
- The performance floor will be concrete. A black tarp will cover the entire competitive floor.
- The contest floor is 72' x 106'. Please see the floor plan for more details.
- Height of the facility is more than adequate.
- Director Check in is located in the lobby area facing the warm up zones.
- Equipment trucks must be moved 60 minutes after an ensembles contest completion. There is remote parking available at Duke Park, map attached in this packet, a shuttle service will be provided as well.
- Power Specifications - WGI will provide two 20 amp dedicated circuits on the front and back sidelines.

## Percussion World Championship Competition Area Hobart Arena, Troy, OH

All WGI contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and extend to a maximum of 72' X 106',

All performing groups must be prepared to perform within the competition area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook
