

CREATE A WINNING ENVIRONMENT FOR SPORTS SAFETY

About the U.S. Center for SafeSport:

The Center is an independent, nonprofit organization dedicated to making athlete well-being the centerpiece of sports culture by improving accountability. We do this in several ways, and everyone can participate! Our approach to preventing abuse in sport begins with awareness and how to recognize the red flags of emotional, physical and sexual misconduct, and then what to do if abuse does occur. We create your organization's ability to:

IDENTIFY | PREVENT | RESPOND
