What is the ticket policy for children?

Children ages 3 and older will need to have a ticket. Children ages 2 and under are free. The child does not receive a ticket or a seat. They must sit in the lap of a ticket holder. This policy is for all contest sites.

Is there a limit on the number of seats that a customer may purchase?

How can friends or a group sit together?

The best way to ensure that you can be seated next to your friend(s) is to have one person place your order either online or by calling our ticket office. Have your credit card ready for us to process, as it is company policy that seats are not held without payment. The second option would be to mail in your orders together with instructions and payment attached to each.

Are there seats for ADA, wheelchairs and their companions at University of Dayton Arena?

Yes, we have accommodations for wheelchairs at the top of sections 201, 212, 213, 215, 222, 224, 409, 410, 412, and 413. Federal law allows three companion seats. If you need more than three additional seats, we will place them as close to the wheelchair accessible area as possible.

How is a person accommodated that is on crutches or disabled in some way but not in need of a wheelchair?

Please call our ticket office. We will do our very best to place you in an aisle seat or very near a walkway so that stairs will not be an issue. The earlier you call, the easier it will be us to help you.
