Proposal #2 – NO MOTION, FAILS

Proposal- Eliminate the randomization of SCH A guards for Semi finals round competition.

1. A class Semifinalists should be placed in rounds by the preliminary score and performances should also be determined by that score and not a random draw or shuffle.
2. The top 4 highest scoring units in each round should automatically advance to finals competition and the next four highest scores if there are 4 rounds.
- 3 If there are 5 or 6 rounds, the top 3 in each round would advance.

Proposal #3 FAILS (9-37-1)
