

WGI DIRECTOR BULLETIN

Director / Instructor

Reminder of the policy : All adult instructional and administrative staff having regular contact with or authority over participants of any group participating in any WGI event must complete the “SafeSport™ Trained” course.

Individuals that have taken the “SafeSport™ Trained” course on January 1, 2020 or later, are not required to take that training again for the 2023 season. Directors should gather course completion certificates for all their staff members and keep on file in the event your group is selected for a random audit.

All those required to complete this training should do so before regular contact with participants begin or within the first 45 days of starting a new role subjecting the adult to this policy.
