# Purpose

We hope to tell you a little bit about us, our program and open up the books!

The benefits of our winter groups have completely outweighed the negatives, and we hope to encourage you to begin groups at your school or continue what you have and incorporate WGI as much as you can.

# Background

Corinth Holders High School opened in the fall of 2010. We began winter programs in the Winter of 2012. We started with Winterguard and a Concert Percussion group. These groups have participated locally and regionally ever since. We began a Winds program in 2017. Each program has participated in World Championships many times since their inception.

Corinth Holders has roughly 320 students enrolled in band throughout the entire school year.

Johnston County, NC is the 4th largest LEA in the state.

Corinth Holders is one of eight high schools in the district with a student population of 2,253.

58% White  
21% Hispanic  
15% African American  
4% Multiracial  
1% Asian  
1% Pacific Islander/  
Native American

# Demographics

# District Support

**Johnston County Public Schools provides funding for the middle and high school and programs.**

**Each year roughly \$100,000 is allocated to eight high school band programs and thirteen middle school band programs.**

**With the largest high school enrollment in the county, this averages anywhere from \$8,000-\$12,000 each year for Corinth Holders.**

**The funding from our district is around 6% of our yearly budget.**

# School Support

**In our district each school has it's own school based funds that are local and can be used at the discretion of the principal.**

**For us, these funds are unreliable. However, support from your principal can go a long way in many different situations.**

**Include them in the good and the bad!**

**Just ask!**

**Where does the other 94% come from?**

**Our amazing parent organization! We call it Band Boosters but there are many names around the country (BPA, Band Backers, etc).**

**This funding comes from a variety of different of sources - fundraisers efforts, contribution amounts, donations and more.**
