

Hello Everyone,

As we prepare to kick off another exciting WGI season, I want to take a moment to thank you for the important role you play in supporting and shaping the experience for every performer, staff member, and spectator. Your dedication, professionalism, and commitment to excellence are at the heart of what makes this activity so impactful.

As we begin the season, I encourage you to maintain a positive attitude and continue fostering an environment of encouragement and growth for the performers. Your thoughtful and constructive feedback has a lasting impact, helping them achieve their best. Be in the moment, using your own voice that supports years of experience, training and knowledge. Use the Dropbox to access reference materials, including all the videos and documents. There have been no shifts in philosophy. The Steering Committee and Karl have simply reinforced what we have been doing, updating some words or terminology to keep up with the state of the activity, and clarified some areas of focus.

Remember to update Competition Suite prior to your first regional and prepare yourself by reviewing the final draft of contest documents on Thursday before your assignment. If you have any questions, concerns, or need assistance as the season progresses, please don't hesitate to reach out to your manager. They are here to support you and ensure your judging experience is smooth and successful.

Wishing you safe travels as you embark on this journey for 2025, and I look forward to seeing you along the way. Here's to a fantastic season ahead!

Curtis
