

Mid Atlantic Power Regional Practice List

The local circuit partner (CWEA) has secured a limited amount of rehearsal space between Friday and Sunday at the Winthrop University Student Activities Center. The space is available on a first-come first-serve basis to all groups attending the Mid-Atlantic Power Regional. To inquire about space, please contact Cody Crawford at cody@cweaindoor.org for assistance.

Due to recent changes in the Charlotte area school districts, if you are interested in booking space with the school you must contact them directly.
