## Dayton Regional Competition Area James Trent Arena, Kettering, OH

All WGI contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and extend to the wall.

The "competition area" at this event measures 66'X105'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook
