

Charlotte Regional Practice Info

The local circuit partner (CWEA) has secured a limited amount of rehearsal space between Friday and Sunday at the Winthrop University Student Activities Center. The space is available on a first-come first-serve basis to all groups attending the Charlotte Regional. To inquire about space, please contact Cody Crawford at cody@cweaindoor.org for assistance.

Due to COVID restrictions, school districts in the Charlotte area are not leasing space to individual groups at this time.
