

West Power Regional

Secondary Site

SA PRELIMS ONLY

Site:

Cox Pavilion
University of Nevada, Las Vegas
Corners of Tropicana and Swenson Avenue
Las Vegas, NV 89154

Dimensions: 106ft. X 62ft.

Seating Capacity: appx 1250

Approximate Ceiling Height: 35 ft

All props will need to be sent up a freight elevator. Elevator dimensions are 9' 6" wide by 12' long x 9' high. Each color guard MUST have a designated prop person who will stay with their props/tarps at ALL TIMES. Prop Storage is very limited. Do not drop props/tarps until 1 hour prior to your performance.

There are no obstructions above the competition floor.

Color guards will enter the performance floor via stairs outside the Cox Pavilion performance arena. Color guards will meet up with their props/tarps behind the performance floor curtain.

There is electrical power available at the front and back sidelines.

Color guard tarps exit the competition area directly to the outdoors. All props will have to go back down the freight elevator.

There will be a black vinyl tarp covering the performance floor.

There is not an indoor area to fold floors after the performance.

Warm Up Area A

1/3 Auxiliary Gym

There are raised basketball goals in the warm up area.

Music may not be used during warm-up as it disturbs the other color guard in the area.

Warm Up Area B

1/3 Auxiliary Gym

There are raised basketball goals in the warm up area.

Music may not be used during warm-up as it disturbs the other color guard in the area.
